Apartments for sale in Montecala Gardens These new luxury Costa Blanca apartments are located next to the sea in the urbanisation of Cumbre del Sol, a beautiful coastal area of a natural environment with dramatic scenery and fabulous beach areas. The apartments feature a modern architectural design offering an open plan concept, with connecting interior and exterior areas to provide outstanding living spaces. Prices from 370,000 euro, please check availability. Montecala Development Montecala is an area of residential housing located in the southerly part of the urbanisation of Cumbre del Sol, directly above the Cala Lleberg and bordering the protected Peninsular of Cap d'Or. Within the area of Montecala, there are three developments of apartment for sale; Pueblo Montecala, Jardines de Montecala and Montecala Gardens. There is a central area with two large swimming pools surrounded by vast terracing for sunbathing, also a second quieter pool area in the lower part of the development. The main...
