Contemporary style villa with sea views for sale in Cumbre del Sol. This villa is the show villa for the development of new-build villas in the area of Magnolias, Cumbre del Sol. The show villa is available to buy for the advertised price on the website, or you can choose one of the other villas for sale in the same development if you want to personalise the finishes to your taste. The villas available in Magnolias have different Architectural designs with construction surfaces varying from 328 to 443 metres squared. About this property This new build villa is located in the residential area of Magnolias in the southerly part of Cumbre del Sol. An area of luxury independent villas with private pools and panoramic views of the Mediterranean Sea. The property has an appealing contemporary design with modern lines merging with natural stone features and large floor to ceiling windows bringing the Mediterranean light and sea into your home. The main floor of the villa has three bedrooms and there...
