Ref.: CC-99436

1.190.000€

3 Bedrooms

3 Bathrooms

187m² Floor

1050m² Plot

Pool

This stunning modern sea view property is located on the urbanisation of El Piver. Construction has begun and will be completed in February 2024. The villa will have 3 bedrooms all with ensuites. There would be a possibility to create a fourth bedroom in the future. Built to an extremely high standard by a team of renowned builders who have previously constructed a number of projects in the area. The layout is over three floors with two bedrooms on the first floor and another on the main living level. The property comes with a double garage with internal access to the villa. The house will have underfloor heating, heat pump and air conditioning throughout. There will also be motorised blinds and a Domotica system.
