125m² Plot

Town house in Benissa - Centro This 328 m² townhouse offers a wealth of possibilities for its future owner. Situated on a 125 m² plot, the property features a generous layout designed to accommodate large families or those looking to start a business, such as a bed and breakfast. The home boasts seven generously sized bedrooms, each filled with abundant natural light, making them ideal for comfortable living or hosting guests. The spacious kitchen, complete with a traditional fireplace, creates a warm and inviting atmosphere, perfect for preparing meals. The large dining room provides ample space for entertaining, family gatherings or hosting events. Practicality is a key advantage of this property, with two well-maintained bathrooms and plenty of storage options, including built-in wardrobes and a dedicated storage room. Its south-facing orientation ensures the home is bathed in sunlight throughout the day, enhancing its warm and welcoming ambience. Parking is effortless, as the propert...
